STATUS

Learning → Practicing → Building → Improving

PROFILE

Class 12 student (PCM stream) from Delhi NCR, preparing for JEE 2027. Exploring electrical engineering, electronics and semiconductor technology, with a long-term interest in the semiconductor / chip industry. Currently building foundational skills and documenting hands-on learning through small projects.

EDUCATION

Amity International School, Mayur Vihar

CBSE · Class 11–12 · Expected 2027

Subjects: Physics, Chemistry, Mathematics

Delhi Public School, Ghaziabad, Vasundhara

CBSE · Class 1–10

Class 10 result: 94%. Strongest academic interest: Science, especially Physics.

PROJECTS

Study Mania

A student productivity and study-tracking web app — tasks, calendar, a persistent study timer, and analytics. Built with vanilla HTML, CSS and JavaScript, data stored locally in the browser.
